Contact

For more information, please contact Iliana Reyes at 305-789-3311 or ireyes@stearnsweaver.com.

Give Kids A Chance is a fund established through the Dade Community Foundation to provide college scholarships to high school seniors. The fund provides scholarships to children of low-income families. In many cases, these students have the desire and ability to succeed in college, but do not have the financial resources to make a college education possible. We believe that supporting young adults in their pursuit of a college degree is essential to their overall health and well being.

Your participation in the 20th Annual Give Kids A Chance Golf Tournament will help establish scholarships for students who dream of attending college. Thank you for helping us make these students' dreams come true.
