OVERVIEW

Denay Brown is an accomplished real estate attorney, with particular experience in health care-related real estate. She routinely advises clients, including individual and corporate health care providers, on the entire spectrum of real estate transactions, including the acquisition, disposition, lending and financing, construction, and leasing of real property. Denay has extensive experience in identifying and resolving title and title insurance related issues and in advising clients in complex real estate transactions. Additionally, Denay has noteworthy familiarity working with Federally Qualified Health Centers ("FQHCs") and federally funded community-based health care providers that service geographically isolated, economically or medically vulnerable populations, and is well-versed in the unique challenges and intricacies related to their needs.

Denay also regularly represents clients in corporate and limited liability company mergers and acquisitions, including transactions related to stock/membership interest and asset acquisitions and sales, mergers, and consolidations.

In addition, Denay regularly advises clients regarding entity formation and operation, contract review, general business operations, labor and employment matters, and administrative matters, including achieving and maintaining regulatory compliance, licensure issues and discipline. Prior to joining the Firm, Denay worked at a boutique firm in Tallahassee for nearly 20 years.
